

'You make the difference,
today, tomorrow, together'

NURSERY SCHOOL PROSPECTUS

VISION STATEMENT

"You make the difference – today, tomorrow, together"

AIMS STATEMENT

- To provide a warm, friendly, welcoming environment where partnerships are built, valued and understood.
- To provide a rich and stimulating environment which enables the unique child to become a competent learner.
- To work together for our local community.

Throughout this document, we have highlighted in red, the changes made due to Covid 19.

OFSTED INSPECTION FEBRUARY 2019

Here is a sample of some of the comments, from our last OFSTED inspection in February 2019. The full report is available from the School Office, on request, or is on our website www.bedworthheathnurseryschool.com

Overall Effectiveness -

This school continues to be Outstanding

"The leadership team has maintained the outstanding quality of education in the school since the last (outstanding) inspection. The passion you and your whole team have for early education, combined with hard work and commitment has made sure that the outstanding provision and excellent outcomes recognised at the time of the last inspection have been sustained. In fact, the nursery has continued to evolve and offers outstanding provision that has been further enhanced so that every child, regardless of need, can benefit from the exceptional care and education you provide."

"Children are given time to explore their learning. They show an exceptional ability to concentrate and focus because learning is exciting and engages them from the outset."

"Provision for the two-year olds is exceptionally well matched to their physical and emotional needs and abilities. Leaders tailor the learning environment inside and out to ensure a sense of security in which the youngest children flourish."

THE CURRICULUM

Young children learn best through 'active learning' when they are working at self-chosen activities. They use their first hand experiences and are encouraged to make choices, explore, examine, investigate, discuss and solve problems. Through their experiences, children are developing knowledge, concepts, attitudes and skills. Highly trained educators provide materials and experiences to promote growth and learning in the areas of social, intellectual, physical, emotional and spiritual development. Much of the work is child initiated with the staff supporting the children's learning by extending their knowledge and understanding. This work is balanced by activities that are adult led to develop particular skills or ideas, e.g., our focus work that aims to increase the children's awareness of their environment and their place within it.

The Nursery is planned and organised in line with the Early Years Foundation Stage Curriculum through which the children work towards the Early Learning Goals.

The Early Learning goals are divided into seven areas of learning.

These are:

Personal, Social & Emotional Development
Physical Development
Communication and Language
Literacy
Mathematics
Understanding the world
Expressive Arts and Design

During the current COVID 19 situation, the curriculum of the Nursery School will be determined by Government guidance. However, we will endeavour to ensure that your child has as broad and balanced experience as possible.

Across the seven areas of learning, we place great emphasis on developing children's independence, creativity and critical thinking and the curiosity to play and explore.

Personal, Social & Emotional development

Successful personal, social and emotional development is vital for very young children in all aspects of their lives and gives them the best opportunity for success in all other areas of learning. It is crucial that adults provide the experiences and support that young children need to develop a positive view of themselves.

Communication and Language

This area of learning includes:

- Speaking & listening in different situations and for different reasons
- Learning about the sounds that letters make
- Understanding language
- Paying attention
- Using communication to support and develop thinking skills

Physical development

Physical development is about improving skills of co-ordination, control, manipulation and movement. It helps children gain confidence in what they can do and enables them to feel and understand the positive benefits of being healthy & active.

Mathematical Development

This area of learning includes counting, sorting, matching, seeking patterns, making connections, recognising relationships and working with numbers, shapes & measures. Mathematical understanding is developed through stories, songs, games, practical activities and imaginative play so that children enjoy using and experimenting with numbers, begin to learn about calculating and understand simple concepts related to shape, space and measure.

Literacy

This area of learning includes developing the skills which will lead to:

- Being able to read a wide range of books, re-telling stories and reading simple texts
- Writing for a variety of purposes, and understanding that the marks they make communicate meaning.

Understanding the World

In this area of learning, children are developing the important knowledge, skills and understanding that help them to make sense of the world. This forms the foundation for later work in science, design & technology, cultural capital, history, geography and information & communication technology (ICT). Knowledge and skills are developed through a wide range of practical activities based on investigation and exploration.

Expressive Arts and Design

This area of learning includes art, music, dance, role-play and imaginative play. Being creative enables children to make connections between one area of learning and another and so extend their understanding. Expression through creativity is key in building self-esteem and emotional well-being.

We aim to ensure that your child has access to a wide range of activities and experiences in a secure and stimulating environment, which allows them to make good progress, enjoy learning and achieve new skills.

THE OUTDOOR CURRICULUM

Children learn and are taught all the areas of learning outside as well as inside. There are opportunities for developing communication skills, problem solving and skills of exploration and investigation, as well as their creativity and physical skills.

The garden opens up enquiry for the children to explore the natural world around them and make connections about how things work and why things happen.

We use the outside area in all seasons, so please ensure your child always comes with a coat, hat & gloves in the colder months!

GENERAL INFORMATION

Due to the ongoing restrictions in place due to COVID19, these sessions may be different to meet Government Guidelines and the needs of the Nursery Risk Assessment.

School Hours

Morning session: 8.30am - 11.30am

Afternoon session: 12.30pm - 3.30pm

30 hour session: 9.30am - 3.30pm (Criteria applies and 8.30-9.30am can be purchased)

The start of the session provides a brief opportunity for you to speak to your child's family leader and settle your child before teaching starts in small groups. If you wish to have a longer discussion about your child, please do not hesitate to arrange this with your family leader, outside of teaching times. Doors are open from 10 minutes before the end of session to avoid congestion with parking.

Due to COVID 19, whilst we wish to remain a Nursery with an open door policy, all communication will be via email, telephone, Facebook, Remind and our website. This is in line with Government guidance and the Nursery Risk Assessment.

Admission Policy

The Nursery School has to abide by the Local Authority Admissions Policy, and follows all Local Authority criteria with regard to admissions. A copy is available from the School Office or via our website.

Due to COVID 19, Nursery places will be allocated in line with Government guidance and the Nursery Risk Assessment.

Collecting your Child

Please let the Nursery staff know if someone different will be collecting your child. In the interest of safety, we would not allow a child to go home with an adult we did not know, unless we have been notified. In this instance, an adult would be considered to be someone aged 16 years or over. We will ask you to provide a physical description to help us identify this individual and to give us an agreed password. This password must change for every occasion.

Due to COVID 19 we will advise you of the requirements for drop off and collection in line with Government guidance and the Nursery Risk Assessment.

Late Collection

Parents who are more than 10 minutes late, without contacting the School with a valid reason will be charged a late collection fee of £5.00. Staff have numerous commitments both between sessions and at the end of the day. Thank you for your support with this.

Children will always be looked after by a member of the team to keep them safe. However, failure to collect alongside the School not being able to contact any of the listed emergency contacts will lead to the Local Children's Team being called after 45 minutes delay.

Parental Responsibility

Where both parents have parental responsibility, the school cannot enter domestic disagreements with regard to who is allowed to collect the child, without a court order. Please speak to staff for more confirmation or request a copy of the detailed School Policy.

Key Worker / Family Groups

When your child first starts at our setting, they will be attached to a particular member of staff and placed in their 'Family Group'. This is to help the children settle in and to give them a greater feeling of security. Please feel free to share day to day issues, celebrate achievements or discuss any concerns you have with this member of the team.

Snack Bar & School Fund

Every child has access to a drink of milk or water, throughout the session.

Please supply a named water bottle that will stay onsite.

To encourage healthy eating, a healthy eating snack bar operates during the session. To offset costs, we ask that all parents contribute 2 pieces of fruit, per child, per week – either on a Monday or Wednesday – which staff will wash & prepare.

Due to the COVID 19 situation, we will not be able to accept donations of fruit and vegetables in line with Government guidance and the Nursery Risk Assessment. If you would like to pay a contribution of £1.50 per week towards the Nursery Fund, we would be grateful.

Please be sure to tell us of any allergies/food intolerances, your child may suffer from. Please note our Nursery school is a nut-free zone. Nuts and nut products can be found in many every-day food items where you might not expect them to be (Nutella, hand cream, cereals bars, some breads etc.) Please check labels carefully on any products that you contribute for the snack bar.

We have a School Fund of £1.50 per week, which we would encourage you to contribute to as it is used for purchasing such items as cooking ingredients, animal food, seeds for growing, etc. It also pays for some of the outings that we organise for the children and specialist Christmas entertainment. We would be grateful if this could be given on Mondays to the family group leader or the school office or paid through the bank, details will be given to you at home visit with our bank details.

Due to COVID 19, all school funds are to be paid by direct debit in line with Government guidance and the Nursery Risk Assessment.

Behaviour

We expect and praise good moral and social behaviour. Children are encouraged to be kind and considerate to each other and this is promoted through our "Golden Rules" and positive acknowledgment by staff. Children's achievements in nursery, at home, and within the community, are celebrated within their family group. A copy of our Personal & Social Behaviour policy is available upon request or from our website.

The Governors will not tolerate any acts of either verbal or physical aggression directed towards themselves or any of the staff. Any person demonstrating aggressive behaviour either verbal or physical, will be asked to leave the premises and the police may be called.

The Governors will implement its right to ban a parent from the School premises where there is a significant breach of the Adult Code of Conduct. Governors operate a zero tolerance policy in this area. The school is a safe haven for children, parents, staff and wider professionals.

Special Educational Needs

The School offers excellent facilities and opportunities for children who have, or may be later identified as having, 'additional needs'. The school holds a kite-mark award (WInCKS) in recognition of these high standards and partnership working. Please advise staff if your child has additional needs to ensure that the appropriate level of support can be planned before they start. We work closely with:

- Specialist teachers – integrated disability support service.
- Speech and language therapists.
- Physiotherapists.
- Occupational therapists.
- Educational psychologists.

A copy of the School's SEND policy is available on request, or via our website.

Birthdays

We celebrate your child's birthday during Family Time. We sing Happy Birthday, blow out candles and give your child a small gift and card from their nursery friends. In line with Nursery School's Allergy Policy, and due to many children in Nursery having severe allergies, **NO** treats or Birthday cakes are allowed on site.

Policies

Copies of all policies are kept in the School office and are available for inspection at any time. Many policies can be found on the School website.

Child Protection

'Under the Education Act 2002 (Section 175), schools must make arrangements to safeguard and promote the welfare of children. Parent/carers should know that the law (Children Act 2006) requires all school staff to pass on **any** information which gives rise to a concern about a child's welfare, including risk from neglect, physical, emotional, sexual abuse or radicalisation.

The staff will seek, in general, to discuss any concerns with the parent/carer, and where possible, seek their consent to a referral to Social Care. **Permission will only be sought where such discussion will not place the child at increased risk of significant harm.**

Schools will seek advice from Social Care and other organisations when they have reasonable cause to suspect a child may be suffering or likely to suffer significant harm. Concerns may be passed on, which are later shown to be unfounded. Parents/carers must appreciate that the designated person for child protection was carrying out their responsibilities in accordance with the law and acting in the best interests of all children.'

Internal 'cause for concerns' are routinely documented. Any documents will be held confidentially and are password protected. Only the designated Safeguarding leads have access to this information. These will not automatically be shared with parents until the point of referral is reached. The appropriate data retention periods are adhered to.
During our home visits you will be requested to sign to show that you are aware of this process.

Equal Opportunities

Bedworth Heath Maintained Nursery School and Warwickshire Teaching School Alliance staff, governors and parents work in partnership with the local community and other stakeholders to create an inclusive Organisation where everyone feels safe, welcome, respected and valued. We strive to create an environment which is challenging, stimulating, creative and enjoyable. All participants are supported and encouraged to achieve their own potential, making the difference in becoming independent and lifelong learners who are able to make a positive contribution to our society.

The School has an Equalities Statement and Policy and constantly strives to ensure all children have the opportunity to experience a broad and balanced curriculum.

Health & Safety

The School has a comprehensive Health & Safety policy. A copy of this is available upon request. Please refer to our Health & Safety leaflets displayed throughout the School. Please do not allow your child to use the outdoor play equipment and resources outside of the session times. **Bedworth Heath Maintained Nursery School and Warwickshire Teaching School Alliance will not be held liable for any incidents or accidents which take place during these times.**

Due to COVID 19, our Health and Safety Policy has been altered in line with Government guidance and the Nursery Risk Assessment.

Sex Education

This is not taught as a formal part of the curriculum but can occur naturally as part of topics, for example, life cycle of animals. Nursery staff will answer any questions sensitively and appropriately to the age of the children.

The Local Neighbourhood

The School is situated in a residential area and our neighbours are very tolerant of us. We do rely very much on their goodwill, so please do not block the entrance to drives with cars – a slightly longer walk from your car eases any possible tension about parking and is better for your child's health & wellbeing. The PCSO Team will issue warning notices to those parked illegally. Warwickshire Police have also rolled out "Operation Snap" whereby **any** member of the public can photograph those cars parked illegally and send these into the Police and warning letters and fines will then be issued.

Please can all parents be advised that parking in the car parking area outside the Nursery gates is forbidden. Parking on the paving area where the fire hydrant is situated is also forbidden in order to keep our community safe. Can we please ask that all parents park considerately in the roads around Glebe Avenue.

We have given prior permission to some of our parents whose children use wheelchairs or specialist equipment, to park directly outside Nursery.

We appreciate all of your support in this matter in helping to keep our children safe.

No Smoking

In the interests of safety and setting a good health example to the children, the School and its' grounds are a no smoking zone, this also includes e-cigarettes and vaping equipment.

Dogs

In the interests of safety and hygiene, no dogs are allowed into the Nursery and its' grounds, with the exception of guide dogs.

Mobile phones

Within our safeguarding framework, mobile phones **must not** be used when entering the school site. Where you are observed accessing your mobile phone on the School premises, a member of staff will ask you to end the call and switch off your phone.

Illness

Please keep your child at home if he/she is not well. You need to let us know, either by phone or electronically, if they are ill, on the first day of absence.
Office staff will telephone you on the first day of absence if you have not notified us.

Covid 19 symptoms

What to do if your child develops symptoms of coronavirus

Please follow these steps:

- If your child develops symptoms of COVID-19, they should remain at home , inform the school and book a test immediately.
- Anyone with symptoms will be eligible for testing and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119.
- If your child or anyone in the household does develop symptoms, you can seek advice from NHS 111 at <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/> or by phoning 111.

If the test is negative:

- If your child's test result is negative, the child can return back to school as soon as they feel well and their temperature has returned to normal for at least 48 hours and if no one else in your household has symptoms.
- If anyone in your household has symptoms, they must test negative before the child can return to school.
- Everyone in your household can stop isolating once all test results are negative.

If the test is positive:

- If the test result is positive all household members must isolate at home for 10 days.
- The 10-day period starts from the day when the first person in the house became ill.
- The individual who is ill needs to isolate for at least 10 days and until well (including not having a high temperature for at least 48 hours).
- Household members should not go to work, school or public areas and exercise should be taken within the home. Staying at home for 10 days will greatly reduce the potential spread of the virus.
- If you are able to, move any vulnerable individuals (such as the elderly and those with underlying health conditions) out of your home, to stay with friends or family for the duration of the home isolation period

Clothes & Uniform

It is not compulsory for children to wear uniform. We do have a School sweatshirt, coat and sun hat which you can buy at reasonable cost through a local supplier if you would like to. Please be aware that the range of exciting & creative experiences we offer can result in children getting quite messy and we would strongly recommend that you send them in old clothes.

We would also ask you to ensure that children are sent in appropriate clothing and footwear. They will always need a coat as we go outside every day, and shoes should be safe, preferably with Velcro fastenings. Flip flops, heels etc. are unsuitable for small children to run around in and open toed shoes are also not appropriate.

You will be provided with a school calico nursery bag for your child's spare clothes. Please put your child's name on all their belongings.

Due to COVID 19, if your child requires a change of clothing whilst at Nursery, we will use the spare clothes in this bag. The dirty clothes will be handed to you at the end of the day, please send in another set of dry clothes to be put in your child's bag kept at Nursery.

This is in line with Government guidance and the Nursery Risk Assessment.

To encourage independence in going to the toilet we would ask you to always send your child in loose fitting joggers or similar – belts, braces and dungarees often stop a child from reaching the toilet in time!

Jewellery

The children participate in a very active curriculum, please limit jewellery to stud earrings to prevent potential accidents.

No watches or jewellery to be worn – this is in line with Government guidance during the Covid restrictions.

Lending Book Library

One of the best ways to encourage children to enjoy reading is to share books with them. Our home-school library allows you and your child to borrow books (only one at a time please), to read together at home.

Please record which book your child is borrowing by entering the title and date borrowed in their own personal lending library card. Each half term, if 5 or more books have been borrowed, your child will receive a certificate and their name put up on our Reading Stars Chart displayed in the Reception area.

If they do get lost or damaged, please tell us so that we can repair or replace them. We know accidents do happen.

Due to Covid 19, the Lending Library is currently closed in line with Government guidance and the Nursery Risk Assessment.

Outings and Visits

As well as outings to the park, woods, etc, we take the children out locally to the shops, etc. Please sign the consent form during the home visit if you agree to your child going off site.

No outings or visits will take place during COVID 19 in line with Government guidance and the Nursery Risk Assessment.

Promoting Fundamental British Values

The fundamental British values of democracy, rule of law, individual liberty, mutual respect and tolerance for those with different faiths and beliefs are implicitly embedded in the Early Years Foundation Stage and as a school these are some of the examples of how we promote these values with our children within the curriculum. We always put an example on the school newsletter that highlights to our families how we are promoting British values within our Nursery School.

Democracy

We want the children to feel valued and respected. We actively seek out children's views and listen to these. Staff act as good role models for the children and actively listen to one another. We have golden rules in place which the children help to formulate. We promote choice in the nursery and the children are able to make choices about what activities they do, what time they have snack and what they eat. Children are expected to respect and listen to each-others views. We work with the children on feeling different emotions and how we can manage our emotions and express our feelings. We encourage children to play in a group, extending and elaborating play ideas and making decisions together.

The rule of law

We have high expectations of children. We have rules and values at the setting and the children take part in the formulation of these and are supported to follow them. We have a comprehensive Behaviour Management policy, we use positive strategies to handle any conflict and praise and acknowledge desirable behaviour. We support children to inhibit own actions/behaviours and to take steps to resolve conflicts with other children. We discuss the rules outside our setting and support this with visits from our wider community.

Individual liberty

We support the children to make their own choices in a safe and supportive environment. We encourage the children to take managed risks and explore new activities and experiences to improve self-confidence and self-esteem. We welcome all children to the setting and encourage them to have a positive self-image. We discuss and celebrate our similarities and differences. We encourage the children to talk about their own preferences and interests and we support these within our continuous provision. We encourage children to speak to others about their own needs, wants, interests and opinions.

Mutual respect & tolerance of those of different faiths & beliefs

We celebrate our diverse, rich cultural and religious society and promote mutual respect. We promote our children talking to others about their home and community. We celebrate our similarities & differences and celebrate relevant festivals and holy days. We work in partnership with our families to share information about different cultures. We have set up a journal and put up a display to share with parents on how we promote British values within the nursery. We support charitable events such as collecting items for our local foodbank and making up shoe boxes for the homeless during the Christmas period. We discuss with the children the reason why we are fundraising and the impact the fundraising can make. We value all children and differentiate our activities to ensure an equality of opportunity.

Information

We have many ways of working in partnership with parents and sharing information with you. The school has been awarded Quality Lead status for Achieving Early in recognition of our partnerships with parents to support children's achievement. Newsletters are displayed monthly, informing you of dates, outings, curriculum activities and health and safety issues. A range of information for parents is displayed in the Reception Area and cloakrooms. The newsletter is also available electronically, should you agree to join our database.

Parents are welcome at the School at any time and are free to talk to the staff at the beginning of the session or make an appointment. We welcome parents into the Nursery to help in a variety of ways. Anyone wishing to volunteer their help on a regular basis will be asked to follow the volunteer recruitment process and must be checked by the DBS clearance. We are sure you will appreciate that this is for the safety of all children in our care.

Due to COVID 19, whilst we wish to remain a Nursery with an open door policy, all communication will be via email, telephone, Facebook, Remind and our website. This is in line with Government guidance and the Nursery Risk Assessment.

Lunch Club

The cost for each lunch club session is £5.50 and you will need to send your child with a healthy packed lunch. This enables your child to attend for an extended session 11.30am – 12.30pm. The charge covers the cost of staffing the session. (Subject to availability)

We offer our 30 hour children (3/4 year olds) a lunch time facility.

You will need to send your child with a packed lunch. Our lunch box guide is to think 'healthy eating' - fruit, yogurts, sandwiches, cheese, breadsticks, tomatoes, celery, crackers. Please place your child's name on their lunch box and water bottle.

We ask that such things as sweets, large bags of crisps and chocolate biscuits are not sent in your child's lunch box

We also offer '**Daisy Nursery**' places for 2-3yr old children, which offer children their first experience away from home. There is a charge for this service and parents/carers may purchase a minimum of 2 sessions per week. The cost of a 3 hours session is £16.20. We offer a discount of 10% to any family who pays by direct debit, thus reducing the sessional charge to £14.60. Please contact the office for more information.

Due to COVID 19, any payments must be by Direct Debit. This is in line with Government guidance and the Nursery Risk Assessment.

2Help Scheme

We provide a number of additional funded places for 15 hours early education each week. This is known as the 2Help Scheme. Families in receipt of the benefits listed below, or looked after children, e.g. those in foster care are eligible for these places. If you think you are eligible for this funding please contact the office for further details.

Families **MUST** be in receipt of the following benefits or credits:

- Income Support
- Income based Jobseekers allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The Guarantee element of the State Pension Credit
- Child Tax Credit or Working Tax Credit, if annual household income is **less than £16,190**
- Universal Credit if your annual net earned income is less than £15,400

OR your child:

- The child is being looked after by the local authority
- The child has left care through special guardianship or an adoption or residence order
- The child has a current statement of Special Educational Needs, or an Education, Health and Care Plan
- The child qualifies for Disability Living Allowance

(NB Contribution-Based Job Seekers Allowance or Employment & Support Allowance do not qualify)

As we are Ofsted registered, those in receipt of Family Tax Credit can claim back the major costs, we also accept childcare vouchers such as 'Computer Share'. Please ask at the Office for an up-to-date list of our session charges.

CHARGING POLICY

Aims

This statement sets out the Schools approach to charging, describes each type of activity which will be charged for and explains when charges will be made.

Principles

- All nursery education provided within school hours will be free. This includes materials and equipment provided in school hours by the LA or the school. 'School hours' are those when the Nursery School is actually in session and does not include the break in the middle of the day for 15 hour children.
- The School invites parents and carers to make voluntary contributions towards any part of the Schools activities to permit the provision of activities, which might not otherwise be possible. For example a suggested contribution of £1.50 per week provides for healthy snack times, baking, visitors, and additional 'special' resources and activities.
- General fundraising and sponsorship will also be used to permit additional activities. Parents will be informed of the decision to ask for contributions at the planning stage of activities.
- No pupil will be left out of any activity provided in school time because his or her parents cannot or will not make a contribution of any kind if asked to contribute.
- No charges will be made which exceed the actual cost when divided between the participants.
- When parents accompany pupils on an out of school activity, they may be invited to make a contribution towards the cost of transport and/or the activity.

Extended Services

30 hour children may pay for an extra 1 hour for 8.30am – 9.30am = £5.50 per day

Paid extra sessions which fall outside of the Nursery School Free Entitlement (15 hours per week) will be charged at the following rates:

- Lunch Care Session 11.30am – 12.30pm £5.50 one off charge (please provide your child with lunch in a sandwich box)
- Extended Session (30 hours only) to enable a start at 8.30am - 9.30am - £5.50
- Daisy Nursery Mornings 8.30am – 11.30am £16.50 per session
 Afternoons 12.30pm – 3.30pm £16.50 per session

We are able to offer a 10% discount if payments are made by direct debit making the session charge £14.85.

Due to COVID 19, any payments will need to be by Direct Debit in line with Government guidance and the Nursery Risk Assessment.

BEDWORTH HEATH MAINTAINED NURSERY SCHOOL & WARWICKSHIRE TEACHING SCHOOL ALLIANCE

FIRE DRILL PROCEDURE

IN CASE OF FIRE:-

ALARM

ANY MEMBER OF THE STAFF discovering an outbreak should, without hesitation, sound the fire alarm.

CALLING THE FIRE BRIGADE

ALL outbreaks of fire, however small, or any suspected fire, should be reported immediately to the Fire Brigade, by a nominated person. **DIAL 999.**

Nominated person – Nicci Burton, Karen Barratt, Carole Jackson and Barbara Charles

EVACUATION

On hearing the alarm, children & parents should be led quietly from the classroom, by the nominated person(s) for each building through the signed Fire Exit to the assembly point by the large green gate, closing the doors and windows behind them.

Attendance registers should be taken to the assembly points by the nominated person(s) who should check the toilets and decking area on the way out.

With the exception of a search for missing persons by competent persons, **NO-ONE** must be allowed to re-enter the school, without permission from the Fire Brigade.

ROLL CALL

Immediately the group has assembled, a Roll or Count Call should be taken.

ATTACKING THE FIRE

Circumstances will dictate whether fire fighting operations should be attempted.

Fire Fighting must always be secondary to **LIFE SAFETY**.

First Aid at Work Trained staff – Rachel Brunt and Jo Paton.

All other staff are Paediatric First Aid trained.

Fire Marshalls – Nicci Burton, Karen Barratt, Rachel Brunt, Carole Jackson, Barbara Charles

**These procedures are also followed for LOCKDOWN, IN-VACUATION and
INTERNAL INCIDENT**

**Due to COVID 19 the Fire Risk and Lockdown procedures have been updated in line with
Government guidance and Nursery Risk Assessment.**

A Final Reminder

Our main entrance gate is very close to the main road, therefore we request you to :

REMEMBER TO BOLT THE SCHOOL GATE

AT ALL TIMES TO PREVENT A CHILD GETTING

OUT ONTO THE ROAD.

For the safety of your children we advise that they hold an adults hand when leaving the School site.

Parking is not allowed on the yellow zig zags or covering the fire hydrant on the extended pavement opposite Nursery.

Due to COVID 19, social distance markers will be put out in line with Government guidance and the Nursery Risk Assessment.
