

Family Link Letter February 2022

Hello to all of our families. Welcome to our new January starters and I hope you have found the nursery routine agreeable, as well as seeing your little one making friends and enjoying nursery life. I am Barb, and I am here to support families with any aspect of family life. This might be routines, toilet training, or mealtimes to name a few. I also support families with wider issues including debt, finance, mental health or addiction, for instance. I am also the safeguarding lead for nursery, so if your child has a social worker it will be me that attends the meetings. If you would like some advice or a chat, just drop me a text, call me or email me- contact details are at the end of this newsletter.
