

Daisy Home Learning for Half term

Hasn't this year gone by so quick. We can't believe we are fast approaching our last half term in nursery. We will be holding a mini Olympics in nursery as a sponsored event. So over half term we thought it would be a good idea for our mini Olympians to do some training to help prepare them for the event.

In your garden, in your house or at the park, can you move in different ways from one side of the area and back to the starting point.

walk

run

skip

hop

Jump with both feet off the ground

Crawl on all fours

Commando crawl, crawl with your body and bottom on the floor

How else could you move?

- Can you do 5 star jumps
- Can you do 5 step ups and then 5 step down
- Can you throw a ball to someone
- Can you throw a ball at a target
- Can you catch a ball

Can you listen and run to a specified point and back, in your garden, around your house or at the park

Take a trip to a park, what equipment is at the park?

Which one is your favourite? Can you draw it below?

Can you see any flowers in the park? Which one do you like the most?

How many petals does it have?

What colour is the flower?

Can you see it's stem?

Can you draw it below?

What minibeasts can you find in the park?

Can you draw your favourite one?

**We hope you have a lovely time over half term
and we look forward to hearing about your
adventures when we return to nursery.**

**Please feel free to send in photos, we would
love to see them and share them with the
children during family times.**
