

# Orchard Home Learning

## You are an artist

Our children have loved being creative and using lots of different art resources at nursery.

Can you create your own art piece at home...

Maybe you could create one or more from the list below

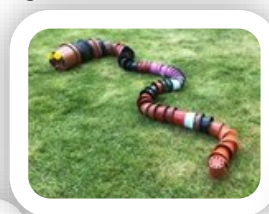

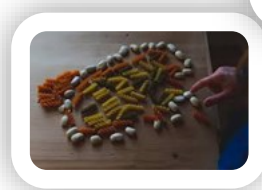

- draw someone in your family or your pet
- draw your favourite plant or flower in the garden/park
- draw your favourite toy
- make a sculpture with your recycling

Remember there is no perfection in art, there is just amazingness!

## Create some transient art.

We see children creating fabulous transient art in nursery, have a go at home. Transient art means "moveable art". It means creating a design out of loose pieces, which can be any safe items in your home, they are not fixed in the art work and used to create something that is not permanent. Transient art is a term used for any creative work that does not stay fixed in its position and you can use anything from around the home or garden.

**Create some artistic pancakes. -**

<https://realfood.tesco.com/recipes/mini-pancakes.html>

Create some edible art on your pancakes, you could use fresh sliced fruit, dried fruits, melted chocolate, spreads (jam, chocolate spread) or different coloured icing and decorations.

**Can you go on a spring walk? Can you see any signs of spring, flower buds, daffodils?**
