

Bags of Fun

Childs Name.....

Dear parents/ carers, Here are some ideas of activities to do with your child over the Summer holidays. Once you have completed an activity, tick it off and put the photo, picture, collage, toy into the bag.

Find something to treasure from your garden, a walk, a day out. Put it in the bag.	Make a den and take a photo. Either print it off or upload it to Nursery email.	Make some sandwiches to have a picnic in your den.
Have a pyjama day	Have some water fun!	Make a creation of your family (draw, paint, collage, model) and get an adult to write their names underneath.
Fill a plastic bottle with water and glitter, food colouring, cooking oil and shake it up. Watch it move. How does it make you feel?	You Choose	Watch the rain through the window. Track a raindrop— have a race with another raindrop.
On a walk or in the garden, collect leaves, sticks, grass and create a collage to bring to Nursery.	Find an interesting stone and put it in your bag.	Read your favourite story. Pop the book in your bag so that we can share it at Nursery
This is my favourite toy— pop it into the bag.	Cuddle up with a grown up at home to watch a movie. What did you watch? Who did you watch it with?	Sing your favourite song. What is it?

Please bring the bag to Nursery in September to share your experiences with everyone
