

Family Learning Online Offer: Autumn Term One 2020

Cheryl Neil would normally come to your school to deliver face-to-face sessions with parents and their children. We will deliver all Family Learning courses online this term. If you are a parent or carer living in Warwickshire, you can attend any of our free courses and workshops online (Cheryl's courses highlighted in green).

Look out for the Adult and Community Learning Brochure which will come through your door in the middle of August.

Booking onto a Course

From September, parents/carers will be able to book a place on a course at www.warwickshire.gov.uk/adultlearning (click 'find a course' – 'Family Learning')

There will be more detailed information on dates, times and further course details here, too.

Please note, this offer may be subject to change. Please check the website for the most up-to-date information in the first week of September, 2020.

If you have questions about any of the courses, please contact Cheryl or the tutor running the course:
